EXAMINER'S AMENDMENT

1. An extension of time under 37 CFR 1.136(a) is required in order to make an examiner's amendment which places this application in condition for allowance. During a telephone conversation conducted on 04/29/2008, Mr. Carl Thomsen (Reg. No. 50,786) requested an extension of time for ONE MONTH(S) and authorized the Director to charge Deposit Account No. 02-2448 the required fee of \$120.00 for this extension and authorized the following examiner's amendment. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

2. The application has been amended as follows:

Claim 12 has been amended as follows:

- "using" (line 4) has been changed to: --feeding--; and
- the phrase --along a longitudinal direction of the cushioning sheet-- has been inserted after "another" on line 4.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:

The prior art fails to disclose and/or teach a method of manufacturing a cushioning package containing an article that comprises, among other steps, the steps of: feeding a cushioning sheet having groups of independent small strip cells along a longitudinal direction of the cushioning sheet, folding the cushioning sheet, providing the folded cushioning sheet with a longitudinal seal at an open

side along the longitudinal direction to adhere overlapped edges of the folded cushioning sheet, forming an air passage in communication with the small cells at the open end along the longitudinal direction of the sheet, moving the article along the longitudinal direction of the cushioning sheet, placing the article inside an article storage space enveloped by the small cells of the folded cushioning sheet through an article storage opening of the article storage space, and disposing a tip of a nozzle inside the air passage and filling air in each of the small cells via the air passage while closing the article storage opening by adhesion.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Louis K. Huynh whose telephone number is 571-272-4462. The examiner can normally be reached on M-F from 8:00AM to 3:00PM.
